Lord almighty the two day International conference was ended in a successful manner. I thank all the delegates from various colleges for making this conference in to a successful one. So I express my sincere gratitude to our Management, Principal faculties, Non teaching staff and students for their valuable support.

Thank You to all.

YOUTH RED CROSS (2016-2017)

"The Youth Red Cross" is the most important constituent of its mother organization, Indian Red Cross. It is a group movement organized at the initial stages for students between 18 and 25 years of age within the colleges. A qualified lecturer is recognized as the leader and he is called the Programme Officer under his guidance, the students are trained and encouraged to manage the affairs of the group, electing their own office-Bearers.

Main Objectives of YRC

The main purpose of organizing the Youth Red Cross is

To inculcate in the youth of our country

An awareness on the care of their own health and that of others

The understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfil the same.

To enable the growth and development of a spirit of service and sense of duty with dedication and devotion in the minds of youth.

To foster better friendly relationship with all without any discrimination

PRINCIPLES OF YRC

Humanity

The International Red Cross and Red Crescent Movement, born of a desire to bring assistance without discrimination to the wounded on the battlefield, endeavours, in its international and national capacity, to prevent and alleviate human suffering wherever it may be found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation and lasting peace amongst all peoples.

Impartiality

It makes no discrimination as to nationality, race, religious beliefs, class or political opinions. It endeavors' to relieve the suffering of individuals, being guided solely by their needs, and to give priority to the most urgent cases of distress.

Neutrality

In order to continue to enjoy the confidence of all, the Movement may not take sides in hostilities or engage at any time in controversies of a political, racial, religious or ideological nature.

Independence

The National Societies, while auxiliaries in the humanitarian services of their governments and subject to the laws of their respective countries, must always maintain their autonomy so that they may be able at all times to act in accordance with the principles of the Movement.

Voluntary service

It is a voluntary relief movement not prompted in any manner by desire for gain.

Unity

There can be only one Red Cross or one Red Crescent Society in any one country. It must be open to all. It must carry on its humanitarian work throughout its territory.

Universality

The International Red Cross and Red Crescent Movement, in which all Societies have equal status and share equal responsibilities and duties in helping each other, is worldwide.
